Production Standards & Material Qualities

- **API 5CT certified for threaded and coupled casing and tubing (According to API 5B)**
- **Full ERW grade range: H40, J55/K55, L80, N80, FBNAU, P110 and Q125**
- **Proprietary as rolled 80, 90 grade available**
- **Enhanced high collapse versions of L80 and P110 grades available**

Tests & Certificates

- **API 5CT**
- **Visual and dimensional inspection**
- **Mechanical Tests: Tensile, Flattening, Expanding**
- **Steady scarfing with 100% weldline ultrasonic testing**
- **Hydrotesting in place of 100%**
- **Consistent wall thickness with oversize drift options available**
- **Reduced tolerances through statistical process control**
- **Uniform concentricity, roundness, straightness and cylindricity**
- **Fully normalized weld zones**
- **NDT Standards: U/S (ASTM E 213 Level 3)**
- **Suitable for directional drilling and multiple fracturing operations**
- **Accredited lab tests and third party inspections available (full body and weld line UT, EMI, SEA)**

Finishing Operations

- **Plain end square cut or high quality API 5B certified threading and coupling**
- **Premium and semi-premium threads available**
- **High quality threaded compound, couplings and protectors**
- **Torque controlled coupling application**
- **External corrosion prevention with durable and environmentally safe coating**
